Introduction

- The aim of CTOAP participating in this conference is to increase knowledge about the best practices of other Peacekeeping Operations Training Centres in their training for ongoing peace operations and develop the qualities for development and progress of CTOAP itself.

Timeline of CTOAP

- Prior to the establishment of CTOAP - From 2011 to 2016 F-FDTL sent 9 personnel to South Sudan as UNMO's.
- In 2011, F-FDTL sent an Engineering section to Lebanon as part of a contingent from Portugal.
- CTOAP established on 25 June 2018
- From 2018 a Force Generation Cycle of Individual and Collective training established with a view to deploy a formed body on UN Missions
- 2019 commenced conducting UNMO Courses
- 22 February 2023 the first 2 UNMOs trained, equipped and sent on mission entirely under Timor-Leste's flag deployed to South Sudan (UNMISS),
- 05 May 2023 accepted as a full member of AAPTTC
- May 2023 CPOC introduced to CTOAP's courses
- August 2023 participated for the first time in Exercise Predator Run in Australia
- November 2023 accepted as a full member of IAPTTC
- 27 March 2024 the second rotation of 2 UNMOs deployed as a part of Timor-Leste's ongoing commitment to the UN.
- April 2024 UNSOC introduced to CTOAP's courses

MISSION

- CTOAP is to train and prepare selected F-FDTL personnel individually and collectively in order to participate in UN peacekeeping missions.
- Promoting gender balance in line with the UN Women, Peace and Security agenda.
- Liaising with neighboring countries to seek opportunities to conduct joint training with the aim of increasing skills and insight in order to maintain harmony with neighbors in the region.
