

**Dear Member and Observer of the AAPT,**

Greetings from **Bangladesh Institute of Peace Support Operation Training (BIPSOT)**.

BIPSOT - in collaboration with the Bangladesh Army Headquarters, Global Peace Operations Initiatives (GPOI), the AAPT Secretariat and the Executive Committee of AAPT has the honor to invite you to the 12<sup>th</sup> Annual General Meeting (AGM) and Workshop of AAPT themed ***“Development of multi-dimensional peacekeeping training modules with the use of new technologies to deal with the evolving asymmetric threats for effective implementation of UN mandates in UN peace operation environment”***, which is scheduled from 27 - 30 May 2024 at BIPSOT, Bangladesh. The AGM and Workshop is open to anyone who has an interest or stake in this field.

AAPT will reunite the regional organizations, training centers, institutions, non-government agencies and other stakeholders associated with the operations, training and education, research and development, capacity building, and cooperation in the field of peacekeeping and peacebuilding. In keeping with the best practice and traditions of the regional association, this year 12<sup>th</sup> AGM and Workshop of AAPT will aim to provide a common platform to facilitate exchange of training materials, subject matter experts and participants in different training events. These discussions will enable participating institutions to share training resources across the region and synchronize regional training efforts, requirements and new way of business through collective strategies and plans to be more effective responders and peacekeepers.

It is our honour to invite the Commandants/Directors and Senior Training Instructors/Training Operation Officers from all AAPT members and observers to attend the 12<sup>th</sup> AGM and Workshop of AAPT. Important administrative arrangement and other relevant information are enclosed with this invitation letter. Detailed Administrative Note and Draft Program of Events are available at the Website <https://12thagm.aaptc.asia>.

Hope to see you at BIPSOT. Looking forward for your early response please.

Cordially,

**MD NASIM PARVEZ**

Major General

AAPT Chairperson (Host)
